MARILYN HICKEY MINISTRIES

In February, Marilyn traveled for the first time to Bangladesh. She ministered in the cities of Khulna and Dhaka where she hosted a city-wide healing meeting with over 30,000 people in attendance and over 18,000 people made decisions for Christ. She also hosted an evangelistic Youth Conference and a Ministry Training School. Both events had many lives changed through the ministry of the Word. Because of this new partnership with the leaders of this country, we were also able to send humanitarian aid to help with the COVID-19 crises and a devastating flood that greatly impacted the country.

With the restrictions of COVID-19, Marilyn took advantage of technology to reach millions of people from her home. She used Facebook Live to share God's word on a weekly basis. She also did several podcast and video interviews with many other ministries online and spoke at several ministry conferences through Zoom and other digital broadcast outlets.

Along with several domestic digital speaking engagements, Sarah launched her new ministry, Living Genuine Love, whose mission is to connect every one with the heart of God. Sarah's heart is to equip people with the resources and tools they need to have an intimate and vibrant relationship with God. Sarah also expanded her YouTube channel and started a podcast channel.

Marilyn and Sarah were blessed to take a group of powerful praying travelers to Washington, D.C. in the fall. This mighty group of prayer warriors prayed over every part of the city they visited, believing that God will heal our nation!

GOD WAS FAITHFUL IN 2020. THE YEAR WAS PACKED WITH MORE MINISTRY OPPORTUNITIES THAN WE COULD HAVE IMAGINED!

Marilyn and Sarah both have big plans for 2021 and believe God is going to prepare the way for them to expand their domestic and international ministry opportunities.

Christmas blessings to you,

Marilyn + Sarah
