Marilyn used her remote platform this year to minister extensively in Pakistan and Bangladesh. Tens of thousands were saved and healed through the Word of God and prayer.

Marilyn faithfully prays for her partners and the nations daily. She invites you to join her in doing that at this pivotal time in history.

Sarah ministers everywhere the Lord sends her, and she continues to use every means available to her—whether television, print, or media—to share the love of God and the revelation He gives to her. She recently released a new DVD titled: *JESUS: Christmas in Person*.

In 2023, Sarah traveled extensively to save babies and toddlers through **NightCare, Malnutrition Feeding, and Birth Aid**. With your help, we are saving more babies and toddlers than ever before!

***Merry Christmas from all of us at Marilyn & Sarah Ministries***

*We thank God for you and your investment in the kingdom through your partnership with us this year. We are rejoicing over all God did and continues to do in the lives of all of the people and nations He allows us to reach. We continue to see unusual healings and miracles, and thousands of lives transformed by the love of God.*

*We wish you a peaceful and blessed Christmas and the happiest of new years! May the love of God permeate your home and family as you celebrate the holiday and prepare for the good things He has for you in 2024.*
